## Another Annual Meeting Success

This past February, Wauwatosa CU held it's 43rd Annual Meeting at the Radisson in Wauwatosa. We had **over 325 members in attendance!**

At the event, there was a brief membership meeting, followed by dinner and the awarding of door prizes. Reports were given by the Board of Directors and the Management about the 2006 happenings of the credit union and what to expect in 2007. Most notably, in 2006 WCU raised \$11,749 for Children's Mairacle Network and look to surpass that this year with its Poker Run and other events.

2006 was a very successful year for your credit union. WCU held a financially strong position throughout the year, added many new members, as well as introduced new products and services.

One of WCU's programs for staff was the 2006 Employee of the Year awards, for member service representative and loan officer. Throughout the year, all

Kalia Xiong,  
2006 MSR of the Year

employees were rated on areas of their job, including accuracy and product knowledge. Congratulations to **Kalia Xiong**, Member Service, and **Karen Frailing**, Loan Officer, for winning 2006 Employee of the Year.

After the meeting, a dinner buffet, refreshments, and door prizes for kids and adults were enjoyed by all who attended. If we missed you this year, we hope to see you next February.

Dean Wilson, President/CEO,  
presents Karen Frailing with the  
Loan Officer of the Year award.

That's right, WCU offers a variety of warranties for all makes and models of vehicles. And, all of our warranties come with rental reimbursement, 24-hour free roadside assistance, and emergency travel expenses.

These warranties can provide you coverage beyond the manufacturer warranty, and can be purchased outright or financed into your auto loan.
