## Corner Office

So, as I stare out the window and see our spring rain feeding my grass, I start to remember that summer is just around the corner. Like sands through the hourglass, the year marches along at the credit union; and, **while you are planning your festivals, concerts and beer gardens, your credit union is staying close to our community throughout the summer months.**

This year FOCUS Credit Union will be involved in the Menomonee Falls School Reality Fair, Concerts on the Green at Enderis Park, National Night Out Walk, Wauwatosa East and West Scholarship Programs, City of Wauwatosa Independence Day Parade, making lunches at the Ronald McDonald House, and the Menomonee Falls High School Scholarship Programs. Your member elected board of directors make sure the credit union remains local and active in our community.

**Last year, our members donated over \$1300 of their account dividends**

**to local charities,** which continues the credit union mission of 'People Helping People'. I hope the summer finds you some sun, some shade and perhaps some Shandy.

Your member elected board of directors make sure the credit union remains local and active in our community.
