## Corner Office

Well I just attended my 24th Annual meeting of Wauwatosa Municipal Credit Union or Wauwatosa Credit Union FOCUS Credit Union and was excited to see **Richard Hitt who founded the credit union 56 years ago**. It is fun to watch someone exude pride in your credit union's development and growth and with over 150 guests at this year's meeting we seem to have some solid momentum for the future.

I'm excited for our members who have taken advantage of the credit union's offer to 'buy' your loans. So far, we have issued checks to members totaling over \$5,000 in the first two months of the year. Remember it is easy, either bring your purchase contract from the dealership to the credit union and we will issue you a check for 1% of the loan balance and first payment due in 90 days. Or if you financed at the dealership bring the loan back to FCU and we will still issue a check for 1% of the loan balance.

**You own the place why not share in some of the spoils.**

With over 150 guests at this year's meeting we seem to have some solid momentum for the future.

## Now or Later Loan Special

Refinance your auto loan with FOCUS Credit Union and you can save **NOW** or **LATER**.

**SAVE NOW!** Refinance your NON-FCU auto loan and FCU will give you the same loan and terms and a check for 1% of the loan balance at closing.

**SAVE LATER!** Refinance your NON-FCU auto loan and save a max of 2%\* and 90 days until your first payment.\*

\*Standard credit approval is required, for vehicle loans only and a limited time offer. Rate savings dependent upon current rate and market rates.

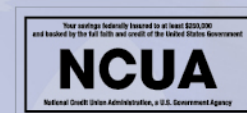

## Notary Public

FOCUS wants to remind you that at each branch we have a registered Notary Public that can notarize documents free of charge for any member.

We know money is tight, so when you need an official document notarized we are here to help. Stop into any branch and take advantage of just one of the many benefits of being an owner of FOCUS Credit Union.
