International Credit Union Day 2020 — Wednesday, October 15th!

INSPIRING HOPE FOR
A GLOBAL COMMUNITY™

Join your global credit union family as we celebrate International Credit Union Day! Credit unions worldwide have been a source of hope for their members and community throughout the pandemic—just like the “People Helping People” motto suggests. International Credit Union Day gives credit unions a chance to come closer together with other credit unions and their members while bringing global acknowledgment to credit unions for their involvements as financial first responders during the pandemic.

We are in this TOGETHER!

The global credit union movement is now over 270 million members strong!
