Corner Office

Well about a year ago I was writing about how nice it was to have spent some time with all of you at our Annual Meeting. What a difference a year makes, as the pandemic has changed even the simplest tasks for all of us. **A special thanks to our staff who have worked hard to keep our branches open and safe for each other and our members.** Tough times don't last, but tough people do—my hat's off to all of you.

I am certainly a glass half full kind of guy and as mass vaccinations become the norm for the country and our state, I am hopeful we all may have a chance for some summer fun. **We did recently host a very small virtual Annual Meeting, but the truth is it just was not the same without you folks.**

Being a small financial institution allows us to build some special relationships that the Landmarks and BMOs just cannot offer. With Spring auto lending season starting off, our lenders are excited to offer you cashback options versus the dreaded dealer financing. Last year we were able to pay our members over \$19,000 in direct cashback checks. **...stop in and let our lenders start your spring off right. Let us make 2021 a bounce back year for everyone!**

Tough times don't last, but tough people do—
my hat's off to all of you.

Green Checking Making an Impact!

In 2020, we were able to donate \$400.00 to our **Green Checking Account Charities!**

We could not have made this possible without the members. **Your choice to have a Green Checking Account, and to donate your dividends, truly does make a difference in various communities!**

FOCUS donations are affecting lives as far away as Africa for the Invisible Children, to right here in our backyard helping fund the Sojourner Truth House and Wisconsin Humane Society. With FOCUS CU Green Checking, not only are you saving money, but you are also savings lives!

Debit Card RoundUp! **Want to SAVE While You SPEND?**

We now offer Debit Card Roundup! When you swipe or sign for your debit card purchases, any extra change up to the next whole dollar will be transferred into your savings account! **Visit our website, www.focus-cu.com, or check out our mobile app for signup and more information!**
